PROPER USE OF THE “MEMBERSHIP APPLICATIONS”, “ADDRESS CHANGE FORM” OR “MEMBERSHIP RENEWAL FORM”

1. Two different membership applications forms are available. One is for Individual Members and the other is for Organizational Members. Please be sure to utilize the proper form. A form should be completed by all new members and the prospective member should submit the completed application form along with payment directly to the T.W.U.A. Central Office.
2. Every renewing member will receive a Membership Renewal Form from the T.W.U.A. Central Office sixty (60) days prior to their membership expiring. The renewing member should make any corrections, if necessary, and return with payment stated on form **directly to the T.W.U.A. Central Office**. To avoid the possibility of being dropped (or purged) from active member status, this should certainly be done in all cases such that the renewal is received in the Central Office not later than thirty (30) days after the expiration date.
3. An Address Change Form should be completed by members if there is a change in the address, employment, or phone numbers on file with the T.W.U.A. Central Office.
4. Caution members to write legibly, to press hard enough to make all copies legible, and to be sure that all information is correct. Correctness of the member's social security number is especially critical.
5. If your unit has any T.W.U.A. Honorary members, be sure to submit an Individual Membership Application on their behalf to the T.W.U.A. Central Office. At the top of the form write the words "T.W.U.A. Honorary". If someone, who is already a member of T.W.U.A., wishes to affiliate themselves with your local unit, have them complete an Individual Membership Application and submit the completed form to the Central Office. At the top of the form write the word "Dual". No dues are required to be submitted to T.W.U.A. in these two cases. This does not refer to your local units honorary members, only T.W.U.A. Honorary members. If you should have any questions, contact the Central Office.
6. Check all forms for legibility, chances are that if you cannot read it, neither can the Staff at the T.W.U.A. Central Office. Once the form is checked, return it to the member and have the member submit it, with payment if applicable, directly to the T.W.U.A. Central Office.
7. If your subsidiary unit has the designation of "Dues Collection Authority" from the T.W.U.A. Central Office you may collect the appropriate forms and dues for the Association. Appropriate dues amounts for new members, are listed on pro-rate dues sheets established by the Central Office. Mail the original to the T.W.U.A. Central Office promptly together with your unit's check (payable to T.W.U.A.) in the appropriate amount. In most cases, the total amount of the check should be equal to the number of forms sent times the amount of the T.W.U.A. (only) dues. For example, 30 individual members with T.W.U.A. dues of \$ 40.00 would equal \$ 1200.00. An exception to this would occur only in cases of a T.W.U.A. Honorary Member or a Dual Member (one who has paid T.W.U.A. dues to the Central Office for the current year). Dues should always be paid by separate check. Please do not combine with payments for service invoices. All completed Membership Applications and appropriate Association dues should be **submitted to T.W.U.A. within ten (10) working days**. The second copy (yellow) is for your subsidiary unit records.
